

# Faster. Safer. Greener. Better.

DROPS Asia presentation

Monday 27<sup>th</sup> of November 2023

**GLOBAL  
GRAVITY**

# Changes in cargo transportation

Pallets were replaced...

...with containers.

# Changes in pipe transportation – moving into the future

Slings are replaced...

...with TubeLock TTRS.

## Potential drops:

Pipe protectors falling off.  
Pipe slipping within bundles.  
Wire sling failures.  
Stored energy.

# Certified and patented – the only TTRS

Fully compliant and certified with **DNVGL-ST-0378, NORSOK R-002, LEEA full member, ISO 9001 and L.O.L.E.R**
